

Process for Late NGO Funding Request Approval

November 2009

NGO funding requests submitted after November 1st of each year may be included within an appropriation bill if the late submission is approved by the Joint Legislative Committee on the Budget or the Joint Legislative Committee on Capital Outlay prior to the last day for legislators to file bills for the 2010 Session. This year, that deadline is no later than 6:00 p.m., Tuesday, April 20. Requesting entities must submit all applicable information prior to such approval.

If your funding request is submitted after 6:00p.m., Tuesday April 20, your submission must be approved by a favorable vote of two-thirds of the members of the standing committee to which such matter is referred or through an amendment in accordance with the rules of the respective house.

Please see [Act 842](#) of the 2008 Regular Session for the law regarding NGO funding request submittal and [Rule 19](#) for further information.
